OT Academy

June 9 - June 13, 2025

OT Academy is a program designed to promote knowledge and understanding of the profession of occupational therapy (OT) while preparing for application to OT programs.

Through engagement in presentations, discussions, and hands-on opportunities, participants will gain skills required to be a competitive applicant, and a successful and professional student in a rigorous graduate program.

- Early Decision: **March 15, 2025**
- Regular Decision: **April 15, 2025**
- OT Academy is open to **sophomore, junior, senior college students, and post-baccalaureates** with a strong interest in the field of Occupational Therapy.
- **Lunch is provided** on session days. A modest stipend is provided. **Housing options provided** to students that are interested in living on campus during the program.
- **Requirements:** Online application, one letter of recommendation and official transcript.
